Mission Statement

We, the staff, students, and parents of Nazareth Independent School District believe that all students can and will learn. We have a climate of high expectations. We believe that our school provides quality and equity in instruction in an atmosphere that is conducive to learning. We feel that our mission of educating students is best accomplished when home and school work together. We are dedicated to educating our children to be productive, respectful, and patriotic citizens in a changing future.

The comprehensive, intensive, accelerated instruction program at this campus consists of state credit courses and support structures that will ensure students at-risk of not graduating have educational opportunities to plug academic gaps prior to state required assessments. Students who have lost credit may participate in an online credit recovery program utilizing EdGenuity. Daily academic tutorials are available for students to ensure that teachers have access to students who need further acceleration as well as for students who need more support from teachers on homework and assignments. Upon evaluation of the effectiveness of this program the committee finds that all programs should be continued.

State Compensatory Education

State of Texas Student Eligibility Criteria:

A student under 26 years of age and who:

1. Was not advanced from one grade to the next for one or more school years unless the student did not advance from Pre-K or Kindergarten to the next grade level only at the request of the student's parent.
2. Is in grades 7-12 and did not maintain a 70 average in two or more subjects in the foundation curriculum during a semester in the preceding or current school year OR is not maintaining a 70 average in two or more foundation subjects in the current semester.
3. Did not perform satisfactorily on a state assessment instrument, and has not in the previous or current school year performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument.
4. Is in pre-kindergarten – grade 3 and did not perform satisfactorily on a readiness test/assessment given during the current school year.
