NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS

11/18/2020

Dear Parent/Guardian,

In keeping with Nazareth's practices to respond to COVID-19, we are notifying all student families that 1 high school student and 1 elementary teacher were lab-confirmed to have COVID-19. Due to privacy requirements, we will not be releasing the name of the individuals or details that may identify him or her.

We are working closely with the local health department on this matter. After careful review, we have determined that the COVID-positive persons did not come into close contact with students or staff. Operations at the school will continue as usual, and we will keep you apprised of further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned. As a precautionary measure and in the spirit of transparency, we are asking families at Nazareth School to closely monitor for COVID-19 symptoms.

Any of the following symptoms indicate a possible COVID-19 infection:

- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for people with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain;
- Loss of smell and taste; or
- New onset of severe headache, especially with a fever.

If you have any questions or concern, please reach out to the school office at 945-2231.

Sincerely,

Kara Sue Garlitz, EdD
Superintendent
